

# Support for Social Challenges

A support and educational group for people who have a hard time socializing, related to a diagnosis of Autism Spectrum Disorder.

In this group, you will learn to socialize with others, practice social skills, and make new connections.

Other group members will share your difficulties with talking to others, and can provide support and feedback.

Group will meet every-other Wednesday from 5:30-7:00 PM.

Group Leader:

Mary Matese, LPA #5065

**Group held  
via Zoom  
and phone**

**Insurance  
accepted: call  
for more  
information!**
